Volume 1

From The Principal Office

Assalaam-o-Alaikum Dear Parents,
On behalf of ABY School Staff and Faculty, I would like to welcome all of you to the 2008-2009 school year. As we prepare for a new school year, we do so with much anticipation of the challenges and triumphs that lay ahead. This year we try to implement the concept of Small groups (around 8 per group). This means we will not have classes of 25 students any more. On the other hand, the success of such program will depend on:
1- Making students in groups that are in harmony (Age and level wise, especially with Arabic level)
2- Rotating qualified teachers among groups. This means that the same teacher may teach same thing to two different groups at the same location, for example.
3- Buying necessary supplies, like projectors, laptops, etc.
4- Making the school attractive to kids through entertainment and recess programs.

Once again, welcome to the 2008-2009 school year. Our wish for the year is that we work together to provide our children with every opportunity for a healthy future. We believe that those who walk through our doors, children and adults alike, bring to us lessons that will enrich our lives. May we all stay open to learn from each other, respect our differences and celebrate in the blessings of our school community. One of the most important things we can give our children is the lesson of wonder.

As adults, we must remember to slow down, to sit with our children, listen to them, giggle, and build memories. We must help them greet each day as a gift and to judge not, but to accept all that comes their way with wonder. Therefore, I wish us all a year of wonder and challenges that will push us to strive for excellence and beyond. In the interest of children and their future.

AMAL SALAH

Hadith of the Day

The Prophet Muhammad (peace be upon him) said he knew a verse from the Quran that would be sufficient for all people if they would only apply it in their daily lives: unto everyone who is conscious of God, He (always) grants a way out (of unhappiness), and provides for (that person) in a manner beyond all. **expectation."** [65:2-3]
